

A Seamless End-to-End Business Solution With Proven Reliability. Delivers Your Products Anywhere In The World.

We do the job right the first time.

Nyborg Integrated Logistics is a privately owned, financially asset secured company, capable of quick adaptability to “customer specific needs”.

Nyborg Integrated Logistics is a local and long haul transportation service company with warehouse, pick and pack, ocean, and air solutions. We pride ourselves on detailed processes and procedures that ensure superior delivery services at the best possible price. Our management systems provide efficiencies that translate to faster service and on--time pickups and deliveries.

Nyborg Integrated Logistics can customize a program to solve any problem your company has in getting Your products from point A to point B, including: assembly, installation, and storage. Our strong management and commitment to customer service provide the highest level of satisfaction for your company.

Our leadership’s combined **35 years of expertise in the industry** makes us uniquely qualified to connect every mile, every time. **The Company is 100% Bonded and Insured.**
